

10 March 2010

Dear Parents

This is a very busy week for Selbornians. On Thursday we shall all be involved in Children's Day at Clarendon Primary and on Friday a large contingent leave for our annual "Summer Olympics" against Grey PE. This includes chess, squash, waterpolo and cricket players. On Monday we shall be hosting the Annual Tri-Angular Athletics meeting at the Jan Smuts against Dale and Queens.

The purpose of this letter is to inform you of the extra mural activities in the afternoons.

- On Thursday there will be NO EXTRA MURAL ACTIVITIES in the afternoon.
- On Friday the Grey contingent will all be leaving at 09:00 and will return at times which have been communicated to you in previous letters.
- On Monday there will be NO EXTRA MURALS, **except for the U13 soccer trials/house matches as per the term planner.**
- On Tuesday the winter extra-mural program will begin as per the sports schedule. Boys who will be involved in the U11 soccer trials must attend these as a priority even if it clashes with other sporting codes. This will not jeopardize their chances of being selected to any of these teams!

Due to the fact that 18 of our teachers will be involved as officials at the Triangular on Monday, school will close early at 12:30. Should you not be able to arrange collection of your son at this time please complete the reply slip attached and he will be supervised by the teachers remaining and released at the usual home time (13:45).

Here's wishing our "Grey" boys and the athletics team the very best in their fixtures. I sincerely hope the above is clear and will help you in your planning. I apologize for any inconvenience experienced.

Yours sincerely

D J VOKE  
**HEADMASTER**
