ADMINISTRATIVE MATTERS

Selborne Pups:

Please ensure that you submit application forms urgently if you have a younger son ready to attend Pre-Primary School next year.

Grade 1:

After numerous requests we still have a number of birth certificates and immunization cards outstanding. These are a departmental requirement and you are to submit these to the office urgently if you have not yet done so.

All Pupils:

School fees were due by the end of January and are now considered overdue. If you have not arranged for monthly payments please urgently settle school fees for Term 1. Contact Mrs Currie at the Bursars office should you have any queries. (043-7265341)

SELBONES SAYS:

Be like a steam kettle! Though up to its neck in hot water it continues to sing.

LOVE SANDWICHES

A very big thank you to the moms for sending in love sandwiches every Wednesday. If we could please request that they are properly wrapped in foil, wax paper or plastic to prevent them falling open when they are transported to the school. Your support of this project is most heart-warming.

Worms wiggle into Selborne Primary

The Foundation Phase is learning about healthy soil this year as part of their Healthy Living theme. They are proud of their Worm Farm which each class looks after for a week. The worms make fabulous compost for our veggie gardens and gives us 6l of worm tea each week. Alan Hattingh from Michell's Garden Centre at Lavender Blue taught the boys all about Vermiculture. Thank you Alan.
