

MySchool MyVillage MyPlanet

What is MyVillage...

The MySchool MyVillage MyPlanet programme helps to raise essential funds for schools, charities and environmental concerns across South Africa. It is the easiest way to support the organisation of your choice throughout the year – without it costing you a cent!

We raise more than R1,5 million every month simply by our supporters using their cards at our partner network – Every swipe counts!

Frequently asked questions

I already have a blue MySchool card, but it is linked to a school. Do I need a village card? - No, you can simply change your beneficiary by contacting MySchool (0860 100 445).

I have a Woolworths card. Is this enough? - Only if your card is linked to the MySchool programme. Do this by contacting us (0860 100 445/ cs@myschool.co.za). You will still need a blue MySchool card to raise funds at the other national partners.

Where can I use my card? - There are local partners in your region - find them on our website. Our national partners include Woolworths, Engen convenience stores, kalahari.net, Club Travel, Waltons, Toys R Us, Reggie's, Jack's Paint, Quiksilver and SupaQuick.

How does MyVillage work?

Present your MyVillageMyplanet card whenever you make a purchase at our partners across the country (and online). The partner will record your card number and donate a percentage of your purchase to the school or charity of your choice. There is no cost to you!

Becoming a supporter

Register to get your blue card through the following channels:

Online: www.myvillage.co.za

Telephone: 0860 100 445

Fax: Fill in an application form

Email: cs@myschool.co.za

Use your card here:
